

To schedule an appointment at one of our five locations, please call Central Scheduling at 724-225-8657 or 1-800-828-CAST (2278), Monday through Friday between the hours of 8am and 4:30 pm.

Please be prepared with the following:

- Name, Date of Birth, Home Address and Phone number
- Nature of the Injury
- Insurance Information

If the injury is covered under **Worker's Compensation** Insurance, we require that the employer call to verify the injury and insurance information prior to scheduling an appointment.

Due to variation in insurance plans, we advise all patients to call the number on the back of their insurance card to confirm Advanced Orthopaedics is In-Network.

If you are unable to attend your appointment, please kindly give 24 hour notice.
